Gideon prefers to stay on the outside, watching, but he's willing to step in and protect when needed. He doesn't want family, keeps friends at arm's length and refuses to believe there might be a woman out there meant to be his and only his. Men like him don't have mates.

A Woman Undone...

Vic only has one use for men, and it sure as hell isn't to protect her. She was a Marine. She takes care of herself. She feels the intense burn of desire and knows what others think. There's only one way to prove them wrong. Sate the lust and walk away.

Mine...

He's sure he can fight the need for her even with the touch of fever in his veins, but he never counted on fighting her need as well. Neither of them wants a mate, but the beast inside Gideon is ready to stake a claim. And if that happens, one night might turn into forever.

AMAZING READ! HEAT UP YOU WINTER WITH THIS BOOK

By AmberJohnson

I've been reading this series from the start and don't see me ever stopping unless god forbid Lacey Thorn ends this series lol This is the fifth installment to the Awakening Pride Series and each book just brings us closer to this unique group. I love how the chemistry between Gideon and Vic heat the pages. At first Vic is hurt because Gideon wants her kept from him but then she gets her sassy attitude back and confronts the

issue at the source. Gideon is a complete alpha male needs to be in control and when Vic is around he can feel himself slipping. As the group is preparing their next step in the course of action to take against the hunters Gideon helps when he can to further the fight. The attraction between him and Vic builds to an intensity and comes to a head. Even though each book is about a particular couple's relationship you still get the feel of family from the group. I love how they pull together as a group even when they have personal struggles happening. They've become this family with only one goal to survive. If you haven't read this series I highly recommend that you do. From the start there's always been something special about this series and it continues to grow with each book. Lacey Thorn knows how to draw a reader in and keep them coming back for more can't wait for the next one.

Scorching Hot

By P. Phan

Author Lacey Thorn has once again written an exciting, scorching hot story that had me hooked right from page one and I could not stop reading until I reached the end. I am totally addicted to her Awakening Pride series and this series just keeps getting better and better with each book she writes. Her latest one, A Jaguar's Touch, gave us the story of Gideon and Vic who were perfect for each other. I loved the no holds barred attitude from Vic who was not afraid to speak her mind and basically told Gideon straight out what she wanted to do with him. Gideon also gave as good as he got and these two just sizzled off the pages. I love how possessive and protective the mates are even when they don't realize it. We got to learn more about their past as they opened up to each other and could see the pain they felt. Each story has more revelations come out and have you anticipating what's next. I cannot wait for the next story in this series.

Gideon

By andrewsheath

Each book gets better and better as the series goes on and I think our boy Tah has some competition in the alpha attitude department, Vic that girl will kick anyone's a** ten ways to Sunday if they cross her. She's pretty bossy in the bedroom as well, "eat it or move your a** up and slam that c*** deep inside me. I don't effing care. Just make me come." I wasn't expecting as much playfulness between Gideon and Vic but it was always there, "his hand smacked her smartly on the a**." "Be quiet, hellcat, before someone else comes out to delay us." I'm thinking Gideon has his own meaning of 'hanging out', "just going over this," he said. "And there's nothing I'd rather do than spend the evening..." His gaze dipped to her breasts. "hanging out with you." I really liked this book and am anticipating more.
