Most helpful customer reviews

5 of 5 people found the following review helpful.
informative and well-organized
By Mark T. Wain

It is evident that the manual was prepared by educators and coaches. It is not just a collection, but an organized guide that walks the reader through necessary steps in handling a wide variety of athletic issues. Example documents are worthy supplements to the greater message, which is how to run an equitable and effective athletic program.

8 of 9 people found the following review helpful.

Must have for new AD's

By Faheem Ellis

As a new athletic Director. I was in the gray area on various topics. The book provided explanations and forms that are essential for the position. It's a must have.

4 of 4 people found the following review helpful.

Athletic Director's Survival Guide

By Bryan S. Mitchell

Highly informative book composed in an easy to read format. The author is knowledgeable and effectively conveys the message in brilliant form.
