Betty Crocker's Cookbook - A Must Have for new cooks!

By Lynne Semple

I love this cookbook. I originally bought it when I was first married 33 years ago. My married daughter has wanted one of these cookbooks to navigate her way into cooking for her family because it has all the basics about cooking, explains different meat cuts and other information in it as well as great recipes. So glad I was able to find a copy to purchase since it has been out of print.

Betty Crocker Cookbook, 8th edition

By Don and Kay Weaver

I chose this rating because the product was not ring bound as advertised. Our daughter was taking it with her to Liberia, and so we kept it as it had all the recipes she especially wanted and replaced her worn out copy of the same edition which she loves.
