Encouraged

By Dashiell Williford

Awesome Read,Very Real,Heartfelt,and Can tell birth from Prayer with deep wisdom and empathy...it's like the Author wasn't trying to label The readers with harsh criticism but with deep,understanding and compassion..I felt super heroes to be among Those who Really are Waiting,and Trusting God for the right Mate But Enjoying Life in Christ,And using Wisdom while We wait!! I Loved the Prayer points,checklist(test) and definitely the Advice... You don't feel judged like something is wrong with you,though we all could use some "Work" Made up in my mind No more relationship books esp on Boaz and Men Not out of frustration but because Some info isn't very positive,or encouraging esp towards Women,But Glad I Purchased THIS One!! :)
