Perfect for 3-4th Grader Who Needs Encouragement to Read

By Monarch

My 9 year old nephew LOVES these books. The chapters are short, so he doesn't get overwhelmed, and each chapter is a cliff-hanger, so that keeps him reading. Sorry this is a generic review for all of this series of the Goosebumps books, but we've bought/read so many.... which is GREAT for my nephew! So glad we found these.

Great book!

By SC Lambe

It was a great book but it did not have a good twist at the end. And his brother should have had a super power. I also had a lot of questions did he become a comic book?????
