A Rare History of Switzerland

By Conrad Bauer

My paternal ancestors came from the little towns around Zurich and Konstanz around 1850. I have a pedigree chart which goes back to 1539. I was interested in reading this history to determine if I could discern why my ancestors immigrated to America. This history have given me some ideas. Wilhelm Oeshsli's history provided me with a large amount of historical information and much of it unknown to myself. It is a great piece of work which nicely paints a general picture of life in Switzerland. Now I will use this data to see if I can discover specific information about actual individuals in my paternal lineage. Great Book.

The cover of this book is "History of Switzerland, 1499-1914" by Oechsli, Paul and Paul. The actual facsimile seems to be "The History of Switzerland" by Zschokke.

There is no record of the publisher (for the facsimile), no place, no date.
