Night (Night) By Elie Wiesel will actually make a good deal to be your best friend in your lonesome. It will certainly be the very best companion to enhance your company as well as hobby.

## Amazon.com Review

In Nobel laureate Elie Wiesel's memoir *Night*, a scholarly, pious teenager is wracked with guilt at having survived the horror of the Holocaust and the genocidal campaign that consumed his family. His memories of the nightmare world of the death camps present him with an intolerable question: how can the God he once so fervently believed in have allowed these monstrous events to occur? There are no easy answers in this harrowing book, which probes life's essential riddles with the lucid anguish only great literature achieves. It marks the crucial first step in Wiesel's lifelong project to bear witness for those who died.

## Review

"A slim volume of terrifying power." ?The New York Times

"Required reading for all of humanity." ?Oprah

"Wiesel has taken his own anguish and imaginatively metamorphosed it into art." ?Curt Leviant, Saturday Review

"To the best of my knowledge no one has left behind him so moving a record." ?Alfred Kazin

"What makes this book so chilling is not the pretense of what happened but a very real description of every thought, fear and the apathetic attitude demonstrated as a response . . . *Night*, Wiesel's autobiographical masterpiece, is a heartbreaking memoir. Wiesel has taken his painful memories and channeled them into an amazing document which chronicles his most intense emotions every step along the way." ?Jose Del Real, Anchorage Daily News

"As a human document, *Night* is almost unbearably painful, and certainly beyond criticism." ?A. Alvarez, Commentary

## From the Inside Flap

Born in the town of Sighet, Transylvania, Elie Wiesel was a teenager when he and his family were taken from their home in 1944 to the Auschwitz concentration camp, and then to Buchenwald. *Night* is the terrifying record of Elie Wiesel's memories of the death of his family, the death of his own innocence, and

his despair as a deeply observant Jew confronting the absolute evil of man. This new translation by his wife and most frequent translator, Marion Wiesel, corrects important details and presents the most accurate rendering in English of Elie Wiesel's testimony to what happened in the camps and of his unforgettable message that this horror must never be allowed to happen again. This edition also contains a new preface by the author.

Alert: This product may be shipped with or without the inclusion of the Oprah Book Club sticker. Please note that regardless of the cover, the books are identical. Night is Elie Wiesel's masterpiece, a candid, horrific, and deeply poignant autobiographical account of his survival as a teenager in the Nazi death camps. This new translation by Marion Wiesel, Elie's wife and frequent translator, presents this seminal memoir in the language and spirit truest to the author's original intent. And in a substantive new preface, Elie reflects on the enduring importance of Night and his lifelong, passionate dedication to ensuring that the world never forgets man's capacity for inhumanity to man.

Night offers much more than a litany of the daily terrors, everyday perversions, and rampant sadism at Auschwitz and Buchenwald; it also eloquently addresses many of the philosophical as well as personal questions implicit in any serious consideration of what the Holocaust was, what it meant, and what its legacy is and will be.

Poignant and honest first hand testimony of a Holocaust survivor that is difficult to put down.

By Ted A. Mcelroy

I absolutely could not put this poignant first hand testimony written by a Holocaust Survivor and was glued to this graphic and depressing first hand account of the horror of the Nazi Concentration Camps. I was able to read it from cover to cover in one afternoon and was left with a mix of emotions that is difficult to put into words. Not since the Diary of Anne Frank have I been so moved by an account of what the Jewish people suffered during the reign of the Third Reich and their horrible attempt to destroy an entire group of people.

Inspiring, horrifying, and real!

By Amazon Customer

I liked this book. I will not say I loved this book because the subject is too awful to be real. Reading this story I felt like that young boy asking "... Is this a dream..." It's hard for me, an infant of the 70's, a child of the 80's, a teen of the 90's, to believe that these atrocities ever occurred. I remember reading in history that Churchill/ Patton? (please correct me if I'm wrong) wanted pictures taken "... Because someday, there will be those who'll say 'this never happened'."

I feel for the survivors, their families. I worry for my children who will learn that great men like this author are less than current winners of this prestigious award. It is up to us, the third generation, the generation that makes or erases history, "to look into that young Jews eyes and say ... That we are not forgetting [them]. When their voices are stifled, we will lend them ours"

Here is my testimony in the name of Jesus Christ, amen.

An Excellent Read

By L. K. Whitley

What to say about this book. It is so thought provoking. It is not just about the atrocities committed by the Germans. There are many Holocaust books written by survivors. This book is about faith and the loss of innocence and the ability to believe. Like the author, I always believed that God was a kind, merciful and loving God. If that is true , then how could he allow so many innocent people be slaughtered down through the ages? Why do prayers go unanswered? This book is well-worth reading.
