Must Read

By C. A. T.

This book is just awesome. Every marketer should have it. Learning and understanding the 25 cognitive biases alone are worth 100 times what I paid for the book. This is one of the top books on marketing I've ever read, bar none...

Great book

By R. Brown

A very big book but well worth the reading. has many stories that I have head before but a lot of the speaches I had not had the pleasure of reading about. it is a real page turner.
