An entertaining read, with unexpected wisdoms within.

By GEM Reviewer

A great read. This book details Shaun's rise to the top of the Miami nightlife scene, but its lessons are applicable to any field you may choose to pursue. Through his anecdotes as well as quotes from Napoleon, P.T. Barnum, and others Shaun details his craft while giving more broadly applicable teachings. I bought this book for an entertaining read, and it was that, but I also found many wisdoms that I didn't expect to find within its pages. If you want an entertaining read buy this book, if you're needing a little motivation, or just want more in your professional endeavors, buy this book. It is a very rewarding and entertaining read.

Great Read. I also work in the industry as a promoter and Shaun gives a tremendous amount of insight into the world we live in. I've had the pleasure of knowing him for a few years now and if anybody can give you an outlook and feedback on this industry, Shaun is one of the best there is.

Waste of my time

By Curtis Miller

Not impressed by this book. Nothing new or original. Information is repeated. This whole books needs to be condensed down to 10 pages. That would be worth a read.
