sex,sex,sex

By Tinkwink

I very enjoyable read with lots of sexual content to turn on just about everybody. Different scenes, a look into a sex club. But underlying the story is a devoted married couple. The story shows respect for others - it was like watching GOOD porn even though you're reading it vs. seeing it. Good writing by Jamie Klaire.

Swingers Club Action

By BlueEyes

A good read involving a newly married couple with a healthy sex life but looking for more excitement. They find it in a swingers club. Interesting story with a couple who really love each other and want to keep each other happy and satisfied.
