SICILIAN WAY: STREET FOOD AT HOME BY FRANK CAMELI PDF

I will show you how to make the best and classic street food of my country...Sicily...at home!

Let's face it, when we buy some food and eat on the street, it taste delicious, but when we you try to cook at home, doesn't taste the same.

The main ingredient is....the street, that is the secret ingredient that makes al taste so good, but we can't bring that at home, but I can help you with everything else.

I will not talk about the hystory of my land or the dishes, that will probably need another e-book, but only about the recipes and the preparation.

Basic and limited, but accurate

By Amazon Customer

The book covers very few recipes and mostly carb-rich ones at that. Sicilian food has a lot more depth than this book gives it credit for. Still, what the book does it does it well.
