**FORCED SEX**

By PURPLE JEWELS

Although not supported by the actual number of pages this story felt shorter than the others. Pastor Knight is indeed a twisted pervert. I actually felt sorry for Leah more so than the other women mainly because this one felt more like rape than the others.

This one's definitely for adults who won't be offended by a Pastor abusing his position of power for sexual gratification. Thank goodness this is only fiction so we don't have to contemplate the eternal or spiritual ramifications of the characters' actions. Whew! It is a short story and a tad overpriced.

cliff hanger lol

By Tia Hazel

Of course it's a short story but I wish it would have been longer. I was really into it and then it ended so abruptly. But that's what these authors do to make you purchase the next book. Lol.
