A Marvel

By Esfandiar Aghaei

I am amazed that I have never heard of this play by Sartre, as I grew up in France it is just a marvel and typical Sartre-existentialist depicting a group that is struggling to coexist while there is a battle of dominance and control or lack of secrets and manipulations. I strongly recommend this wonderfully presented play by Sartre as it just flows and keep your interest by introducing life unlearned lessons, the search for identity, right and wrong, the myth of love, the survival instincts, the need of presence of other human around us and egotistical human behaviour...If you want to read only one book of Sartre I would recommend this one. Chapeau Mr J.P. Sartre.
