It will be likewise valuable for the people around you. We recommend this soft file of guide right here. To recognize ways to get this book [The Fling By Elle J Lawson](#), read more below.

## THE FLING BY ELLE J LAWSON PDF

Can you ever really know someone's true intentions? In *THE FLING*, 22-year-old recent nursing graduate Amy is headed to Greece -- much to her parents' chagrin. They want to keep her home in Arizona where they can keep an eye on her. Amy wants adventure, though, and quickly falls for her gorgeous Greek professor, Dimitri. When Amy finds out that her Greek god is married, and meets his beautiful wife, Lydia, she is torn between her attraction and respect for their marriage. Then when Lydia makes Amy an offer she can't refuse, she struggles with the possibility that if it seems too good to be true, it probably is. Despite her concerns, eventually she gives in to Lydia's encouragement, and Amy and Dimitri's passionate affair is everything Amy has ever dreamed of. What starts out as a breezy summer fling, however, becomes a struggle for happily ever after when the lovers are faced with the ultimate betrayal. They must learn to trust again in order for their love to survive, but is it too much to ask? \*\*This book is intended for mature audiences.\*\*

Great debut novel!

By Jocelyn

I was interested in this book since I read the blurb. I love reading about Greece and connected with the main character when I found out she loved Greece as well. The plot was unique and interesting and I can honestly say I didn't see the huge twist in the story until it was revealed. It was a surprising twist, I must say, and I think everyone will love it!

Amy Presgraves has always dreamed of visiting Greece and her dream is finally coming true. Better than that? She gets to visit Greece in a study-abroad program that will further her academic career. She's things can't get better, until she meets her Professor Dr. Dimitri Speros—who also happens to be married. Oddly though, it's Lydia, Dimitri's wife that encourages her to get closer to the handsome Dimitri and when she does, she's shocked and thrilled by the passion she shares with the Professor.

But what happens in Greece doesn't always stay in Greece. Dimitri and Amy will face betrayal that will test all their boundaries. Can they make it through them together? Or was the summer fling doomed from the

start?

I really enjoyed the beginning of the novel. It was a bit slow at first, and I felt at times that Amy was second best in Dimitri's eyes, but I liked learning about Amy and seeing her chemistry with Dimitri when she emailed him and when she met him. You can't deny their chemistry. I even liked the minor characters, which shocks me because of what one of them did. I should hate that person, but I don't. Well, maybe a bit but I guess that's what I like about this story. I experienced so many different emotions reading this book and I never knew what was going to happen next! I love suspense in books, especially when I find out the huge twist and never saw it coming.

A fantastic debut novel and I recommend it to everyone!

Studying Abroad has its Perks

By GC MacQuarie

This novel has a hell of a lot of promise, and provides the reader with the one important element of erotica: Lust.

Amy is a young nursing student nearing graduation who takes up an opportunity to attend a seminar in Greece. Bored with her day to day life, she jumps at the opportunity of adventure and falls for the professor running the seminar, Dimitrios, a married man. Dimitrios' wife gives her blessing that Amy pursue her feelings and the two embark on an affair.

All the right elements are there, however I did feel that it all just happened too easily for Amy. That said, the story really picks up at the halfway point, complete with a dramatic climax. Although I did pick up hints of what was happening, I still enjoyed the outcome of the story, and honestly, it turned out darker than expected. That was a nice twist.

Amy's relationship with Dimitrios is sweet and hot all at once. The two exude love and commitment from the very beginning which will have you pining for them until the very end.

Written in almost a novella style, *The Fling* is a quick and enjoyable read. In fact, I could see it adapted into a longer length novel, with more time spent on the building tension between Dimitrios and Amy, and even more on the beautiful backdrop of Greece.

Lawson has provided a story of real love at first sight, and hooked us in with a dark twist.

I'll be first in line to see what she comes up with next.

Couldn't put it down.....great story!!

By disneytothemax

I could not put this book down, I wanted to read it all in one sitting!! I've never read a book by Elle J. Lawson before and I was quite pleased!! It started out with Amy being a student and bored with her current job/life. Her friend sees an opportunity post on a board at work to go study abroad for a week in Greece, which is where Amy has always wanted to go. She applies and gets the chance to go. She meets hunky, Dr. Speros and his wife Lydia when they pick her up at the airport. They are very welcoming to her and I just kept waiting for the bomb to drop, it just seemed "off" to me. Most of what I guessed was correct but, WOW, didn't see part of it coming!! This is a must read book!! No cliffhanger, YAY!
