The Lost World

By Rozalia Balazsi

It was a great little story, like all her books.

I have found Traci Harding to be the best author.

Her books are very uplifting and her story telling shows her inner knowledge of spiritual wisdom.

Wasting our time

By chris

Come on Traci, what is the point of these Tiny stories, what a waste of money and time downloading them, at least wait until you have enough to make a book of, some of us live in areas of intermittent Internet access, you are not the only author doing this, and it is really frustrating, it is really hard for us in the Outback. I have read all of your older novels and enjoyed them very much but I refuse to spend time and money downloading these piddling little bits.
