Amazing book! Especially for the naive Jews

By Stephan J Benedict

Amazing book! Especially for the naive Jews, who always knew that the US embraced them and Israel, for the sake of being fair. All the trials and tribulations that led to the vote at UN for the creation of Israel are breath taking. According to the book, had president Roosevelt nor died in the office in 1945, Israel might have never existed. FDR didn't lift one single finger to help the Jews, or to prevent the Holocaust to happen, even though he was told a number of times what went on in the concentration camps in Europe. It's mostly due to president Truman and only partially to Eleonor Roosevelt, to compensate for her husband's unwillingness and reluctance to do anything for the rescue of Jews. Stephan Benedict
