Such cute prints and good quality

By Toddler Mom

These prints are really cute and printed on thick quality paper. 12 x 16 in size -- 5 vertical, 7 horizontal. I bought them for my playroom and found some inexpensive frames at Michael's with 11 x 14 mat openings. Most of the prints were too large to fit in that size mat, but I did find 4 that worked. I looked for frames with a 12 x 16 mat with no success. But if you don't want a mat, there are lots of 12 x 16 frames out there. I wish there was a second book of these with additional prints -- they are so great looking!

Beautiful, big, vibrant prints

By Lisa W.

Great set of prints. Purchased to help decorate our baby's room. Prints are a bit of a off size (14 x 16"), but I was able to find the frames at my local Michael's store. They are on a heavier cardstock, very vibrant, great selections from Carle's books. Extra prints are going to make good gifts, too (framed).

Perfect for Nursery

By Elle

These Eric Carle prints are perfect for a bright, Carle themed nursery. The prints aren't all from popular Eric

Carle books, but many of the pictures are things that are highly exciting for babies and toddlers like trains, rubber ducks, and giraffes.

I found that a cheap, colorful way to frame the prints was Ikea's Nyttja frames. I bought red (framed the caterpillar and the alphabet), green (sloth in the tree and the giraffe), and blue (penguins and train). The frames were inexpensive and the colors complement the prints well. Tiny bit of trimming to get the perfect fit, but quick and easy and fun to look at.
