TRAGEDY AT SOUTHERN OREGON TUNNEL 13:: DEAUTREMONTS HOLD UP THE SOUTHERN PACIFIC (TRUE CRIME) BY SCOTT MANGOLD PDF

The DeAutremont brothers were looking for a big score. They brought dynamite, guns and a getaway car. On October 11, 1923, at the summit of the Siskiyou Mountains in southern Oregon, the three young men held up a passenger train, with disastrous consequences. Their rash actions resulted in the tragic deaths of three Southern Pacific trainmen and one U.S. Mail clerk, unleashing a public outcry that still rings through Oregon's history. In this riveting account, rail historian Scott Mangold draws on interviews, in-depth research and previously unpublished maps and photographs to document the events at Tunnel 13. Join Mangold as he chronicles the resulting four-year manhunt and eventual conviction of the DeAutremonts and provides insight into the lives derailed by the robbery's bitter legacy.

A Simply Wonderful Book

By Martin E Hansen

It is hard to believe, but the famous train robbery at Tunnel #13 on SP's Siskiyou Line by the DeAutremont brothers was 90 years ago this month! This horrible crime that cost the lives of 4 Southern Pacific crew members occurred on October 11, 1923.

Timed to coincide with the 90th anniversary of this event there has just been published a book on this famous train robbery called, "Tragedy At Southern Oregon Tunnel 13 - DeAutremonts Hold Up The Southern Pacific. The author is Scott Mangold and it is published by History Press.

I bring this book to your attention because it is by far the most complete coverage ever on this famous event and it's after math. Sure, there have been at least 2 other books published over the years on the holdup, but

this latest book leaves the others in the dust when it comes to the wealth of details, photos, documents and other information covered for the first time in this volume.

I found out about the book when the author contacted me and asked permission to use the attached photo on the book's cover. This is an H.L. Arey photo of train #13 (the same train as involved in the robbery) leaving the Ashland, Oregon depot in 1924, the year after the robbery. (It looks like the publisher added some smoke to the lead engine in the photo for the cover).

If you get this book you will learn a great deal more about this famous "Last Train Robbery" than you have seen before in print. I know I did.
